

HIGHLY PATHOGENIC AVIAN INFLUENZA (HPAI)

CHRONOLOGY OF MAIN EVENTS AND LIST OF DECISIONS ADOPTED BY THE EUROPEAN COMMISSION

Response to HPAI outbreaks in EU Member States from October 2020 until July 2021

Situation as of 16/7/2021

**EUROPEAN COMMISSION
DG Health and Food Safety (SANTE)
Unit G2: Animal Health**

This document summarises basic information on the outbreaks of Avian Influenza (AI) in several EU Member States and related EU action. It focuses on the animal health aspects.

For additional information, please refer to the Decisions in the Official Journal, the Commission's [avian influenza webpage](#) and associated [press releases](#). EU legal texts – Commission Decisions (CD) and Regulations (RG) can be accessed via the [EUR-Lex](#) webpages.

For more general animal health information, please refer to the [Commission's webpage](#).

For human health information, please refer to the [Commission's relevant webpage](#) and the website of the [European Centre for Disease Prevention and Control](#).

As regards international organisations please refer to the [AI web pages of the World Animal Health Organisation](#) (OIE), the [AI web pages of the Food and Agriculture Organisation](#) (FAO) and the [AI web pages of the World Health Organisation](#) (WHO).

Info-notes on AI occurrences in Member States (MS) and information on the Commission's work are sent to EU Member States and many third countries trading with the EU. These documents are referenced, starting each year with Info-note 01. Please note that information on LPAI outbreaks in Member States is not included in this chronology.

Date	Member State	Main event	Action by the European Commission, Member States' authorities and stakeholders	Legislative action	EU support
16/07/2021	FR	Amendment of EU regionalization	Info Note 134 regarding adoption by the Commission on 16 July 2021 of Implementing Decision C(2021) 5429 amending the Annex to Implementing Decision (EU) 2021/641 concerning emergency measures in relation to outbreaks of highly pathogenic avian influenza in certain Member States.	Y	
12/07/2021	DK, PL	Amendment of EU regionalization	Info Note 133 regarding adoption by the Commission on 12 July 2021 of Implementing Decision (EU) 2021/1146 amending the Annex to Implementing Decision (EU) 2021/641 concerning emergency measures in relation to outbreaks of highly pathogenic avian influenza in certain Member States. The Decision was published on 13/7/2021, in the Official Journal of the European Union L 247I. The link below is provided for ease of reference: http://data.europa.eu/eli/dec_impl/2021/1146/oj	Y	
6 and 8/07/2021	DK	HPAI H5N8	Info Notes 131 and 132 with information received from the Danish authorities regarding a new outbreak of HPAI of subtype H5N8 confirmed in a poultry holding producing eggs to the slaughter chicken production in the municipality of Sønderjylland, in Jutland.		
30/06/2021	DE, PL	Amendment of EU regionalization	Info Note 130 regarding adoption by the Commission on 17 June 2021 of Implementing Decision (EU) 2021/1084 amending the Annex to Implementing Decision (EU) 2021/641 concerning emergency measures in relation to outbreaks of highly pathogenic avian influenza in certain Member States. The Decision was published on 2/7/2021, in the Official Journal of the European Union L 235. The link below is provided for ease of reference: https://eur-lex.europa.eu/eli/dec_impl/2021/1084/oj	Y	
29/06/2021	PL	HPAI H5N8	Info Note 129 with information received from the Polish authorities regarding a new outbreak of HPAI of subtype H5N8 confirmed in poultry, in a non-commercial holding where 106 poultry of mixed species were kept, in Mazowieckie voivodship.		

Date	Member State	Main event	Action by the European Commission, Member States' authorities and stakeholders	Legislative action	EU support
29/06/2021	DE	HPAI H5N8	Info Note 128 with information received from the German authorities regarding a new outbreak of HPAI of subtype H5N8 in poultry, in a small holding where 299 birds of mixed species were kept in the Osnabrück district, in Lower Saxony.		
23/06/2021	PL	HPAI H5N8	Info Note 127 with information received from the Polish authorities regarding a new outbreak of HPAI of subtype H5N8 confirmed in poultry, in a commercial farm where 7107 turkeys for slaughter were kept, in Małopolskie voivodship.		
17/06/2021	NL, PL	Amendment of EU regionalization	Info Note 126 regarding adoption by the Commission on 17 June 2021 of Implementing Decision (EU) 2021/989 amending the Annex to Implementing Decision (EU) 2021/641 concerning emergency measures in relation to outbreaks of highly pathogenic avian influenza in certain Member States. The Decision was published on 18/6/2021, in the Official Journal of the European Union L 218. The link below is provided for ease of reference: https://eur-lex.europa.eu/legal-content/EN/TXT/?uri=CELEX%3A32021D0989&qid=1623998014690	Y	
15/06/2021	NL	HPAI H5N8	Info Note 125 with information received from the Dutch authorities regarding an outbreak of HPAI of subtype H5N8 confirmed in captive birds in an establishment where 56 heads of fowl and waterfowl were kept.		
14/06/2021	BE	HPAI H5N8	Info Note 124 with information received from the Belgian authorities regarding an outbreak of HPAI confirmed in captive birds in an establishment where 14 captive birds were kept, located in the municipality of Le Roeulx, in the province of Hainaut.		

Date	Member State	Main event	Action by the European Commission, Member States' authorities and stakeholders	Legislative action	EU support
10/6/2021	EE	HPAI H5N8	Info Note 123 with information received from the Estonian authorities regarding an outbreak of HPAI of subtype H5N8 confirmed in captive birds, in Tallinn Zoological Gardens. Based on the risk assessment, in accordance with the provisions of the Delegated Regulation (EU) 2020/687, derogations were granted by the Estonian competent authority from the killing of the remaining birds in the confined establishment and from demarcating a restricted zone around this establishment.		
4/06/2021	PL	HPAI H5N8	Info Note 122 with information received from the Polish authorities regarding a new outbreak of HPAI of subtype H5N8 in poultry, in Mazowieckie voivodship.		
3/06/2021	BE, DE, LT, NL, PL	Amendment of EU regionalization	Info Note 121 regarding adoption by the Commission on 3 June 2021 of Implementing Decision (EU) 2021/906 amending the Annex to Implementing Decision (EU) 2021/641 concerning emergency measures in relation to outbreaks of highly pathogenic avian influenza in certain Member States. The Decision was published on 7/6/2021, in the Official Journal of the European Union L 199I. The link below is provided for ease of reference: https://eur-lex.europa.eu/legal-content/EN/TXT/?uri=uriserv%3AOJ.LI.2021.199.01.0001.01.ENG&toc=OJ%3AL%3A2021%3A199I%3ATOC	Y	
2/06/2021	PL	HPAI H5N8	Info Note 120 with information received from the Polish authorities regarding new outbreaks of HPAI of subtype H5N8 confirmed in poultry between 26 and 30 May 2021.		
2/06/2021	LT	HPAI H5N8	Info Note 119 with information received from the Lithuanian authorities regarding an outbreak of HPAI of subtype H5N8 in poultry kept in a trader's premises located in Jurkabas district municipality.		
27/05/2021	CZ	HPAI H5N8	Info Note 117 with information received from the Czech authorities regarding two new outbreaks of HPAI of subtype H5N8 confirmed in poultry in two backyard holdings located in the Central Bohemian Region.		

Date	Member State	Main event	Action by the European Commission, Member States' authorities and stakeholders	Legislative action	EU support
26/05/2021 and 31/05/2021	NL, BE	HPAI H5N8	Info Notes 116 and 118 with information received from the Dutch and Belgian authorities regarding new outbreak of HPAI of subtype H5N8 confirmed in poultry in a turkey flock located in Weert, in the province of Limburg. Due to the proximity of the outbreak to the border with Belgium, the Belgian authorities established a surveillance zone on the Belgium territory.		
25/05/2021	CZ, DE, PL, RO	Amendment of EU regionalization	Info Note 115 regarding adoption by the Commission on 25 May 2021 of Implementing Decision (EU) 2021/846 amending the Annex to Implementing Decision (EU) 2021/641 concerning emergency measures in relation to outbreaks of highly pathogenic avian influenza in certain Member States. The Decision was published on 27/5/2021, in the Official Journal of the European Union L 187. The link below is provided for ease of reference: https://eur-lex.europa.eu/legal-content/EN/TXT/?uri=uriserv%3AOJ.L_.2021.187.01.0002.01.ENG&toc=OJ%3AL%3A2021%3A187%3ATOC	Y	
25/05/2021	PL	HPAI H5N8	Info Notes 113 and 114 with information received from the Polish authorities regarding new outbreaks of HPAI of subtype H5N8 confirmed in poultry between 16 and 24 May 2021.		
21/05/2021	RO	HPAI H5N8	Info Note 112 with information received from the Romanian authorities regarding confirmation of a new outbreak of HPAI of subtype H5N8 in one backyard in Harghita county.		
18/05/2021	PL	HPAI H5N8	Info Note 111 with information received from the Polish authorities regarding new outbreaks of HPAI of subtype H5N8 confirmed in poultry between 13 and 16 May 2021.		
17/05/2021	RO	HPAI H5N8	Info Note 110 with information received from the Romanian authorities regarding confirmation of HPAI of subtype H5N8 in two backyards in Mureş county.		
13/05/2021 and 17/05/2021	PL	HPAI H5N8	Info Notes 107 and 109 with information received from the Polish authorities regarding new outbreaks of HPAI of subtype H5N8 confirmed in poultry between 7 and 11 May 2021.		

Date	Member State	Main event	Action by the European Commission, Member States' authorities and stakeholders	Legislative action	EU support
11/05/2021	BG	HPAI H5N8	Info Note 106 with information received from the Bulgarian authorities regarding two new outbreaks of HPAI of subtype H5N8 confirmed in poultry, in the Plovdiv Region.		
7/05/2021 and 11/05/2021	RO	HPAI H5N8	Info Notes 105 and 108 with information received from the Romanian authorities regarding confirmation of HPAI of subtype H5N8 in poultry in one commercial farm in Mureş county and one backyard in Harghita County.		
7/05/2021	PL	HPAI H5N8	Info Note 104 with information received from the Polish authorities regarding new outbreaks of HPAI of subtype H5N8 confirmed in poultry between 27 April and 6 May 2021.		
7/05/2021	BE, BG, DK, DE, FR, PL, SK, SE	Amendment of EU regionalization	Info Note 103 regarding adoption by the Commission on 7 May 2021 of Implementing Decision (EU) 2021/766 amending the Annex to Implementing Decision (EU) 2021/641 concerning emergency measures in relation to outbreaks of highly pathogenic avian influenza in certain Member States. The Decision was published on 11/5/2021, in the Official Journal of the European Union L 165I. The link below is provided for ease of reference: https://eur-lex.europa.eu/legal-content/EN/TXT/?uri=uriserv%3AOJ.LI.2021.165.01.0001.01.ENG&toc=OJ%3AL%3A2021%3A165I%3ATOC	Y	
30/04/2021	PL	HPAI H5N8	Info Note 102 with information received from the Polish authorities regarding new outbreaks of HPAI of subtype H5N8 confirmed in poultry between 21 and 28 April 2021.		
27/04/2021	LT	HPAI H5N8	Info Note 101 with information received from the Lithuanian authorities regarding outbreaks of HPAI of subtype H5N8 in captive birds confirmed in backyards keeping small number of birds exclusively for personal consumption.		
27/04/2021	BE	HPAI H5N8	Info Note 100 with information received from the Belgian authorities regarding outbreak of HPAI of subtype H5N8 in captive birds, in an establishment where 2842 captive birds were kept by a trader in the municipality of Waregem in the Province of West Flanders.		

Date	Member State	Main event	Action by the European Commission, Member States' authorities and stakeholders	Legislative action	EU support
26/04/2021	BG	HPAI	Info Note 99 with information received from the Bulgarian authorities regarding a new outbreak of HPAI confirmed in poultry in a farm where approximately 40.000 laying hens were kept, located in Krivo pole, Haskovo municipality, in the Haskovo Region.		
23/04/2021	PL	HPAI H5N8	Info Note 98 with information received from the Polish authorities regarding new outbreaks of HPAI of subtype H5N8 confirmed in poultry between 21 and 23 April 2021.		
23/04/2021	CZ, DE, FR, PL	Amendment of EU regionalization	Info Note 97 regarding adoption by the Commission on 23 April 2021 of Implementing Decision (EU) 2021/688 (notified under document C(2021) 2982) amending the Annex to Implementing Decision (EU) 2021/641 concerning emergency measures in relation to outbreaks of highly pathogenic avian influenza in certain Member States. The Decision was published on 27/4/2021, in the Official Journal of the European Union L 143. The link below is provided for ease of reference: https://eur-lex.europa.eu/legal-content/EN/TXT/?uri=uriserv%3AOJ.L_.2021.143.01.0044.01.ENG&toc=OJ%3AL%3A2021%3A143%3ATOC	Y	
22/04/2021	PL	HPAI H5N8	Info Note 96 with information received from the Polish authorities regarding new outbreaks of HPAI of subtype H5N8 confirmed in poultry between 18 and 21 April 2021.		
22/04/2021	SE	HPAI H5N8	Info Note 95 with information received from the Swedish authorities regarding an outbreak of HPAI of subtype H5N8 confirmed in an organic farm where approximately 18.000 laying hens were kept, located in the municipality of Eslöv.		
22/04/2021	SK	HPAI H5N1	Info Note 94 with information received from the Slovak authorities regarding an outbreak of HPAI of subtype H5N1 confirmed in a backyard holding where 6 hens were kept in Malinov village, in the Senec district, South-West part of Slovakia.		

Date	Member State	Main event	Action by the European Commission, Member States' authorities and stakeholders	Legislative action	EU support
21/04/2021	DK	HPAI H5N8	Info Note 93 with information received from the Danish authorities regarding a new outbreak of HPAI of subtype H5N8 confirmed in poultry in Jutland. The outbreak was confirmed in a holding where approximately 19000 ducks and geese for slaughter were kept near the town Vinderup in the municipality of Holstebro.		
21/04/2021	CZ	AI H5N8	Info Note 92 with information received from the Czech authorities regarding four new outbreaks of avian influenza of subtype H5N8 in poultry in the Central Bohemian, South Bohemian and Hradec Králové Regions.		
20-21/04/2021	PL	HPAI H5N8	Info Note 90 and 91 with information received from the Polish authorities regarding new outbreaks of HPAI of subtype H5N8 confirmed in poultry between 14 and 19 April 2021.		
16/04/2021		Adoption of Decision with EU regionalization	Info Note 89 regarding adoption by the Commission on 16 April 2021 of Implementing Decision (EU) 2021/641 concerning emergency measures in relation to outbreaks of highly pathogenic avian influenza in certain Member States. The Decision takes account of the new animal health legal basis (Regulation (EU) 2016/429) and will start to apply from 21 April 2021. It will replace the currently applicable specific EU legislation (Implementing Decision (EU) 2020/1809). The Decision was published on 20 April 2021, in the Official Journal of the European Union L 134. The link below is provided for ease of reference: https://eur-lex.europa.eu/legal-content/EN/TXT/?uri=uriserv%3AOJ.L_.2021.134.01.0166.01.ENG&toc=OJ%3AL%3A2021%3A134%3ATOC	Y	
16/04/2021	PL	HPAI H5N8	Info Note 88 with information received from the Polish authorities regarding new outbreaks of HPAI of subtype H5N8 confirmed in poultry between 9 and 14 April 2021.		

Date	Member State	Main event	Action by the European Commission, Member States' authorities and stakeholders	Legislative action	EU support
13/04/2021	HU	HPAI H5N1	Info Note 87 with information received from the Hungarian authorities regarding an outbreak of HPAI of subtype H5N1 confirmed in poultry on 13 April 2021 in a holding where 11769 breeding turkeys were kept near the Nádudvar locality, in Hajdú-Bihar county.		
13/04/2021	CZ, EE, FR, DE, PL	Amendment of EU regionalization	Info Note 86 regarding adoption by the Commission on 13 March 2021 of Implementing Decision C(2021) 2605 amending the Annex to Implementing Decision (EU) 2020/1809 concerning certain protective measures in relation to outbreaks of highly pathogenic avian influenza in certain Member States. The Decision was published on 20 April 2021, in the Official Journal of the European Union L 134. The link below is provided for ease of reference: https://eur-lex.europa.eu/legal-content/EN/TXT/?uri=uriserv%3AOJ.L_.2021.134.01.0001.01.ENG&toc=OJ%3AL%3A2021%3A134%3ATOC	Y	
9-12/04/2021	PL	HPAI H5N8	Info Note 84 and 85 with information received from the Polish authorities regarding new outbreaks of HPAI of subtype H5N8 confirmed in poultry between 29 March and 11 April 2021.		
9/04/2021	CZ	HPAI H5N8	Info Note 83 with information received from the Czech authorities regarding six new outbreaks of HPAI of subtype H5N8 in poultry and one avian influenza outbreak in captive birds, confirmed since 1 April 2021.		
7/04/2021	PL	HPAI H5N8	Info Note 82 with information received from the Polish authorities regarding new outbreaks of HPAI of subtype H5N8 confirmed in poultry between 31 March and 3 April 2021.		
6/04/2021	CZ	HPAI H5N8	Info Note 81 with information received from the Czech authorities regarding seven new outbreaks of HPAI of subtype H5N8 in poultry in Central Bohemian and Hradec Králové regions.		

Date	Member State	Main event	Action by the European Commission, Member States' authorities and stakeholders	Legislative action	EU support
6/04/2021	EE	HPAI H5N8	Info Note 80 with information received from the Estonian authorities regarding a new outbreak of HPAI of subtype H5N8 in poultry. The outbreak was confirmed on 29 March 2021 in a holding with 24 poultry (10 hens, 5 roosters and 9 chicks) located in Harju county, in Lääne-Harju parish.		
30/03/2021	CZ, DK, FR, DE, PL, SE	Amendment of EU regionalization	Info Note 78 regarding adoption by the Commission on 30 March 2021 of Implementing Decision 2021/562 of 30 March 2021 amending the Annex to Implementing Decision (EU) 2020/1809 concerning certain protective measures in relation to outbreaks of highly pathogenic avian influenza in certain Member States (notified under document C(2021) 2349). The Decision was published on 7 April 2021, in the Official Journal of the European Union L 119. The link below is provided for ease of reference: https://eur-lex.europa.eu/legal-content/EN/TXT/?uri=uriserv%3AOJ.L_.2021.119.01.0003.01.ENG&toc=OJ%3AL%3A2021%3A119%3ATOC	Y	
25/03 - 2/04/2021	PL	HPAI H5N8	Info Note 74, 75, 77 and 79 with information received from the Polish authorities regarding new outbreaks of HPAI of subtype H5N8 confirmed in poultry between 18 and 31 March 2021.		
24/03/2021	CZ	HPAI H5N8	Info Note 73 with information received from the Czech authorities regarding six new outbreaks of HPAI of subtype H5N8 in poultry. Five of these outbreaks were confirmed in commercial holdings with duck parent flocks in the Hradec Králové, Central Bohemian and Pardubice Regions. All these farms belong to the same company. That company has more duck commercial holdings in those three regions. There is a standstill imposed on all those farms. The concerned company will be allowed to continue production only after thorough inspections and compliance with all requirements set by the competent authority (Info Note 76 (30/03/2021))		

Date	Member State	Main event	Action by the European Commission, Member States' authorities and stakeholders	Legislative action	EU support
23/03/2021	DK	HPAI H5N5 in captive birds	Info Note 72 with information received from the Danish authorities regarding an outbreak of HPAI of subtype H5N5 confirmed on 21.3.2021 in a backyard holding keeping captive birds, located in the town Øm in the municipality of Lejre in Zealand. In accordance with the provisions of Directive 2005/94/EC, based on the risk assessment, the Danish authorities have derogated from the establishment of protection and surveillance zones and the measures to be applied therein.		
19/03/2021	CZ, DK, FR, DE, PL, SE	Amendment of EU regionalization	Info Note 71 regarding adoption by the Commission on 19 March 2021 of Implementing Decision C(2021) 1979 amending the Annex to Implementing Decision (EU) 2020/1809 concerning certain protective measures in relation to outbreaks of highly pathogenic avian influenza in certain Member States. The Decision was published on 23 March 2021, in the Official Journal of the European Union L 101. The link below is provided for ease of reference: https://eur-lex.europa.eu/legal-content/EN/TXT/?uri=uriserv%3AOJ.L_.2021.101.01.0002.01.ENG&toc=OJ%3AL%3A2021%3A101%3ATOC	Y	
19/03/2021	SE	HPAI H5N8	Info Note 70 with information received from the Swedish authorities regarding a new outbreak of HPAI of subtype H5N8 in a farm where 30000 turkeys for meat production were kept, located in the municipality of Tomelilla, in the South of Sweden.		
18/03/2021	DK	HPAI H5N8	Info Note 69 with information received from the Danish authorities regarding three new outbreaks of HPAI of subtype H5N8 in poultry. Two of the new outbreaks were confirmed in farms where slaughter turkeys were kept in the municipality of Slagelse in Zealand. Both of these farms were contact holdings to the recently confirmed outbreaks in that area. The third new outbreak has been confirmed in a holding producing gray duck (game birds) in the town Illebølle in the municipality of Langeland (island), located in the southern part of Denmark.		

Date	Member State	Main event	Action by the European Commission, Member States' authorities and stakeholders	Legislative action	EU support
18/03/2021	PL	HPAI H5N8	Info Note 68 with information received from the Polish authorities regarding 14 new outbreaks of HPAI of subtype H5N8 confirmed in poultry between 11 and 17 March 2021. One outbreak has been confirmed in a commercial farm with ducks located in Żużela, municipality of Krapkowice, krapkowicki district, Opolskie voivodship. The rest of the outbreaks were confirmed in commercial farms located in neighbouring villages of the Opatówek municipality, in kaliski district, in Wielkopolskie voivodship. All but one of these farms were keeping palmipedes (11 duck farms and 1 geese farm).		
17/03/2021	CZ	HPAI H5N8	Info Note 67 with information received from the Czech authorities regarding two new outbreaks of HPAI of subtype H5N8 in poultry. One outbreak was confirmed in a backyard holding with 35 poultry (chickens, ducks) in Počaply, in Příbram district. The other outbreak was confirmed in a holding with 406 poultry (chickens, turkeys, geese, and ducks) in Osvětimany, Uherské Hradiště district.		
16/03/2021	PL	HPAI H5N8	Info Note 66 with information received from the Polish authorities regarding confirmation of new outbreaks of HPAI of subtype H5N8 in poultry. One outbreak has been confirmed on 9.03.2021 in a commercial farm where 26614 slaughter turkeys and 114594 chicken broilers were kept, located in Borów locality, municipality of Opatówek, kaliski district, wielkopolskie voivodship.
